Dear Resident(s):

We hope you have enjoyed living here. Before vacating, be sure to thoroughly clean the floors, shampoo carpets, replace/clean air filter(s), empty trash receptacles and clean the walls, kitchen cabinets, stove and oven, refrigerator (which should be emptied of food), kitchen and bathroom sinks, bathtubs, showers, toilets, plumbing fixtures, and anything else deemed necessary. Please provide RNB with a carpet cleaning receipt upon vacating and pay any unpaid utility bills if necessary. Remember to restore, replace or return personal property or appurtenances (i.e., remove satellite dish) and replace burned out light bulbs. If you are responsible for landscaping please remove all weeds and debris, trim bushes and trees and mow lawn. Begin all landscaping repairs (if any) as soon as possible in order to allow for new growth. In order to avoid any landscape repair charges the landscape needs to be in its original condition on the day of move-out which means adding seed or fertilizer may or may not suffice.

You have the right to request an initial move-out inspection, at which time management will inspect your rental and, to the extent possible, identify damage, excessive wear and tear, and unacceptable uncleanliness that will have to be remedied in order to avoid deductions from your security deposit. You have the right to be present at that inspection if you choose, and we encourage you to do so. Problems that occur between the inspection and when you move out, or that were missed due to the presence of your possessions, can still form the basis of a deduction from your deposit. If you request an initial move-out inspection we ask that you contact us as soon as possible to schedule the inspection (at minimum 72-hours prior to your requested initial inspection date to avoid scheduling conflicts).

If we need to deduct from your security deposit to cover needed repairs beyond normal wear and tear or to clean the rental unit in order to return the unit to the same level of cleanliness, and if the total deduction (for labor and materials) is more than \$125.00, we will give you copies of receipts and invoices for all work done and items purchased. If management or its employees do any of the work, we will bill you at a reasonable rate for that work. These invoices and bills will be included with an itemization of deductions and return of the balance, if any, of your security deposit, which you will receive within three weeks after you move out. (If management does not have these items in its possession when it itemizes and returns any balance, either because the work is yet to be completed or the invoices have not been received, we will include an estimate of the deductions, and send the actual bills to you within 14 days of receiving them). You may waive your right to receive invoices, and you may also rescind that waiver (and ask for invoices) if you do so within 14 days of receiving the itemization.

Please provide a forwarding address where we may mail your security deposit less any past due rent and minus any lawful deductions for the cost of necessary cleaning and repairs of damage in excess of ordinary wear and tear (with receipts and invoices for such deductions).

If you have any questions, please contact RNB Property Management at (916) 435-2424 or management@rnb2day.com

Sincerely,
RNB Property Management Team
